

Hello Members and Supporters of the Fiddletown Preservation Society,

You are invited to attend our first Summer Dinner, a fund raiser for the continuing preservation of the Fiddletown Schoolhouse which is approaching its 150th year and in need of some foundation work, among other repairs. Please see the [invitation](#) with all of the details for this fun evening at the recently renovated Lodge Hill in Plymouth, Calif.

Lodge Hill, the old I.O.O.F. Lodge in Plymouth, is now available for rental for events through the City of Plymouth, which is cooperating with the Fiddletown Preservation Society for this fund raising effort. Access to Lodge Hill is on Empire Street, between Faddis Alley and Hay Street and the view from the Lodge is fantastic. We are set to have a wonderful evening of fine food and music and silent auction items and all we need is you!

The date of the dinner is Saturday, August 6, 2011, beginning at 7 pm, and tickets are \$50 per person. To reserve your dinner tickets, you can mail checks to FPS, PO Box 53, Fiddletown, CA 95629 or call 209-245-6042.
